**RESOLUTION RE:**

**AUTHORIZATION TO RENEW A LICENSE AGREEMENT WITH WESTCHESTER COUNTY TO  
ALLOW ACCESS WESTCHESTER RECORDS ONLINE**

WHEREAS, for many years, the Village of Mamaroneck has been party to a license agreement with Westchester County to provide free access to Westchester Records Online (WRO); and

WHEREAS, although the information is available to the public, access to the WRO system is limited to Village staff, via user identification numbers and passwords and further limited to land records only; and

WHEREAS, the WRO system streamlined the manual, labor-intensive, costly and time consuming process utilized by the Westchester County Clerk's Office for the preparation and dissemination of deeds, mortgages and other land records documents; and

WHEREAS, the current license agreement is set to expire as of December 31, 2018, and the Westchester County Clerk has proffered a successor agreement the County Clerk, via letter dated November 14, 2018 attached hereto and made a part hereof, to extend the agreement for one additional year, with four additional one-year renewals at the County Clerk's discretion; and

WHEREAS, through our participation in the license agreement, the Village of Mamaroneck has benefited from this system as a result of increased efficiency and reduced staff time; now therefore be it

RESOLVED, that the Village of Mamaroneck shall continue participation in the Westchester Records Online System, accepting the Westchester County Clerk's offer to renew the existing license agreement for use of said system for a period of one year commencing January 1, 2019 and ending December 31, 2019 and be it further

RESOLVED, that the Village Manager is herein authorized to approve any and all additional lease agreement renewals as may be extended under the license agreement by the Westchester County Clerk and take all administrative acts associated with said renewals.
