As you are aware, the United States Golf Association (USGA) will be holding the U.S. Open at Winged Foot County Club in 2020. While the event is held in the Town of Mamaroneck, the Village will play an important role in the logistical planning of the event as a number of attendees will utilize Metro-North's Mamaroneck station to get to the event.

The US Open has been held at Winged Foot on several occasions, most recently in 2006 and part of the logistics plan included the use of Harbor Island Park and Columbus Park for parking vehicles, screening individuals, and shuttling individuals to and from the Properties to the Championship and other related purposes. For the 2006 Open, the USGA paid the Village \$40,000 over the course of three payments

The USGA has proffered a draft agreement to the Village (attached) for the 2020 US Open. The USGA proposes to pay the Village \$50,000. Staff did utilize the online CPIU calculator provided by the Bureau of Labor Statistics and the proposed amount of \$50,000 is consistent with the amount provided by this tool.

As noted in the agreement for the payments are scheduled on execution of the agreement, \$15,000 upon execution of the agreement, \$15,000 on or before June 1, 2020 and \$20,000 on or before June 23, 2020.

In preparing the FY 2019/20 Tentative Budget, revenues for the event are forecasted in the revenue projections. .
