ITEM 4A – AGENDA REGULAR MEETING

**RESOLUTION RE:**

**AUTHORIZATION TO EXECUTE AN INTERMUNICIPAL AGREEMENT BETWEEN THE VILLAGE OF MAMARONECK AND THE TOWN OF MAMARONECK TO PURCHASE A SEWER VIDEO INSPECTION TRUCK AND BRINE MACHINE**

WHEREAS, the Village of Mamaroneck (“Village”) and the Town of Mamaroneck (“Town”) have enjoyed a longstanding cooperative relationship since the Village’s incorporation in 1895 and over the ensuing years, the Village and Town have worked cooperatively on many projects; and

WHEREAS, the Village and Town are currently planning to participate in a intermunicipal program to purchase a Sewer Video Inspection Truck and Brine Machine in 2020 and it is believed that by working cooperatively, economies of scale will be realized that will benefit both communities; and

WHEREAS, General Municipal Law (GML) §119-o authorizes municipal corporations to enter into inter-municipal agreement(s) for materials and service contract(s) subject to general laws applicable to municipal corporations; and

WHEREAS, the Village and Town have agreed that a joint purchase of the Sewer Video Inspection Truck and Brine Machine will be procured pursuant to New York State General Municipal Law §103; and

WHEREAS, in conjunction with the purchase of this equipment by the Town, it is prudent for the Village and Town to execute an intermunicipal agreement setting forth the terms and conditions for the execution of this work, which is currently being drafted by the Town,

NOW, THEREFORE, BE IT RESOLVED that upon successful negotiation between the Village and Town and upon approval as to form by the Village Attorney, the Village Manager is authorized to execute an intermunicipal agreement with the Town to purchase a Sewer Video Inspection Truck and Brine Machine and to undertake all administrative acts necessary pursuant to the terms and conditions of said intermunicipal agreement.
