Dear Zoning Board Members,

I'm writing this in behalf of The Roaster Café. I spoke to Mrs. Betty-An and was brought to my attention that my application for special permit has expired. I understand it was our responsibility to be aware of this but unfortunately we totally missed it. At this time i am requesting for the extension of time for filing for 2SP 2017 Mucahit Arici for Mamaroneck Roasters as courtesy. Thank you for your understanding in this matter. Hoping to hear back soon.

Stay Well
