To: Thomas Burt
From: NYS Department of State, Coastal Consistency Unit
Date: October 20, 2021
Re: F-2021-0928

NYS DOT proposes to widen the Route 1 bridge (BIN 1000040) over the Mamaroneck Ave, including placement of drilled shafts & pile caps (to support the bridge liner) and wall panels to close the gap between the shafts within the tidal wetland bed and river.

*

on Route 1 between Mamaroneck Road South and Spruce Street. Bridge identification Number for the project area is 1000040.

Enclosed is a copy of the Federal Consistency Assessment form and permit application for the above-referenced project for your information and preliminary review. Please contact Donna Morelli, the DOS reviewer assigned to this project, at Donna.Morelli@dos.ny.gov or 518-474-3745 to discuss applicable LWRP policies and concerns, and any additional information which may be necessary to assist you in reviewing this project.

Any comments you may have will assist the Department in reaching a decision as to the consistency of the proposed action with the approved LWRP.

We would appreciate hearing from you on this proposed project within 30 days. If we do not hear from you by that date, we will presume that you have no objections to the proposed project.
