### **Scarsdale**

Dan,

I hope all is well. Scarsdale used its ARPA funds so far to reinstate salary increases to CSEA Village Hall and Non-Union staff, who were not given a standard 2% increase as part of COVID Austerity for the FY 20-21 budget cycle.

This is the only wage-related use of ARPA funds I'm aware of for us.

Dan,

In response to your question.

*Has anyone used or plans to use ARPA money to provide premium pay for essential workers/first responders?*

The Town Board considered allocating some funding initially, but they ultimately decided not to do so.

Abe
