jcartica at 08/09/2021 09:49:23 PM: On Monday August 9th, 2021, I was performing a tour of duty of 1600x0000 hours, in VMPD uniform, in marked patrol vehicle # 312 assigned to post # 4 patrol. At approximately 2130 hours, I was dispatched by Desk Officer Carelli to meet with the Village Manager, Mr. Jerry Barberio, for a reported suspicious incident which occurred today during a board of trustees regular meeting.

I met with Mr. Barberio inside the Village Court. Mr. Barberio told me tonight during the meeting he planned to have Mr. Liam Rob O'Hagan speak on the Village's new tree Law. Mr. O'Hagan is a member of the Village's committee for the environment.

Mr. Barberio further told me around 2000 hours, he was engaged in a private conversation with Mr. O'Hagan in the court lobby and Mr. Stuart Tiekert approached him and stood within his personal space while staring at him in an intimidating manner. Mr. Barberio said Mr. Tiekert stood there approximately 1.5-2 minutes then walked back into the court room.

Mr. Barberio wished to document the incident due to ongoing issues with Mr. Tiekert. I provided Mr. Barberio with a VMPD business card with which included this incident number, my name, and department e-mail.
