Chief and Dan,

I'm good with fireworks on NNO. We will need to put both requests before the BOT once we determine the fireworks show size for NNO .

Thx

Here is the 2022 July 4th contract with a slight increase. Our costs have tripled on importation shipping and product is up 15% to 20%. Trying to keep costs down as much as possible as inflation is rampant. I also included a contract for National night out. We can discuss what your looking for and fill in the numbers and also discuss if there is a rain date for that event. Looking forward to another great show.
