Claflin No Stopping Sign Relocation.PNG;

Dan on the lower park of Claflin near Rushmore, the south side of the street has a no stopping sign in front of the first house facing Claflin.

Due to repeated and significant front lawn damage caused by local and out of town users of HIP cars parking on that strip, we need to move that back to the property line of the second and third house. See photo.

As I explained to Mrs. Shapiro, this will require a change in our code which needs to go before the BOT. Please start working on this next week or the week after for intro on the January 10, 2022 meeting.

Thx
