Larchmont may be the simplest, but I defer to Bob Spolzino as to whether it is adequate.

Subject: Public Officers Law

Good Morning,

The County is pushing on the Public Officers Law for all municipalities. I am not sure if there was any resolution with where we stand on this law as it relates to the Building Department.

I currently have to fill a number of vacancies in the Building Department and I believe I may get a big push back with the County. I am looking to fill a part-time and a full-time Code Enforcement Officer and possibly a full-time Assistant Building Inspector.

Please advise if we have to hire someone only from the Village.

Is this something that we should get Frank A. involved in. The need is high for us and I do not want to have any surprises as we extend offers to people.

Thanks.

Danielle
