Dear Who May Concern,

Please be advised I'm the owner and managing Barquila of the premises known. I am seeking to amend my original special permit use for the summer season. I would like to extend my hours of operation of the week from Tuesday to Wednesday from 11 am to 12 am, on Thursdays from 11 am to 1 am, Friday and Saturday from 11 am to 2 am and finally Sunday from 11 am to 12 am. While operating these hours I would like to inform I would be complying with all the requirement codes such as keeping the doors closed for any interruptions. I would to remind all the members of the board there have been not any violations or noise complaints that was caused at the premises since last board meeting. I would appreciate if this will be taken to inconsideration to get approved and voted as soon as possible. Thank you for your understanding.

Best,

Mucahit Arici
