Subject: Cable Negotiations

Tom,

The town board met last night and discussed how the Town would like to move forward with the cable franchise negotiations. We continue to see the value in the TOM and the VOM negotiating together with the attorney we have hired and would like to maintain this arrangement. The town is open to moving forward with either option that Jaime presented to you in an email sent February 3rd.

Option 1 – The TOM and VOM will seek separate identical agreements for each community with each franchisee.

Option 2 – The TOM and VOM will enter into one joint agreement with each franchisee.

Under either option, the franchise fees and PEG money would be paid directly to each municipality.

Please let me know if there is anything else you need so that we can come to an agreement on this and direct Gerard on how to proceed.

Thank you,
Abby
