

OUR MISSION

Fields for Kids advocates for quality recreational sports space across Larchmont and Mamaroneck, and champions the need for the community to work with municipal leaders to maximize the use and maintenance of existing assets. Collaborative partnerships, funded both publicly and privately, will ensure that residents, of all ages have access to local resources to support an active lifestyle.

MORE TO COME

Fields for Kids is in ongoing discussions with the Village of Mamaroneck, the Town of Mamaroneck, the Village of Larchmont, and MUFSD to develop a master plan to improve fields across the community.

"Fields for Kids is the model for successfully energizing community support to expand and improve athletic field space for kids. Mamaroneck and Larchmont families have benefited from a succession of outstanding recreation projects made possible by this organization."

— Assemblyman Steve Otis.
