**MEMORANDUM**

**TO: Village of Mamaroneck Planning Board**

**FROM: Alan L. Pilch, PE, RLA**

**DATE: March 19, 2023**

**RE: 921 Soundview Drive Earthwork Calculation**

---

The earthwork that is required to construct the project at 921 Soundview Drive indicates a volume of excavation of 132 cubic yards and volume of excavated material placed as fill is 137 cubic yards. The numbers are so close that the site work is in balance.
